Word from Mexico City Says Attack on American Troops in Vera Cruz May Be Resumed.

By SPECIAL CORRESPONDENT. Niagara Falls, Ontario, June 22-Find ing their official conferences leading no where, the A. B. C. mediators decided today to take a recess while the Mexican and American delegates hold informal sessions outside with the rebel envoys. This action followed on the heels or the following developments:

First-Information that President Wilson had failed to induce Villa and Carranza to grant an armistice.

Second-Advices that Villa was leading the attack on Zacatecas and that the constitutionalists were uniting for the final march on Mexico City

Third-Word that Fernando Ygliseas Calderon, one of Carranza's most trusted cabinet officers, was on his way north as the personal representative of the constitutionalists. Fourth-Confirmation of the report
